HMS Holdings Corp. (HMS) is the leader in coordination of benefits and program integrity services for government healthcare programs. The company's clients include health and human services programs in more than 40 states, 100 Medicaid managed care plans, the Centers for Medicare and Medicaid Services (CMS), and Veterans Administration facilities. HMS helps ensure that healthcare claims are paid correctly and by the responsible party. As a result of the company's services, government healthcare programs recover over \$1 billion annually, and avoid billions of dollars more in erroneous payments.
